Sir:

Petitioner, Paul D. Bianco, represents that he is one of the attorneys of record for THE BONUTTI 2003 TRUST A, the assignee of the entire right, title, and interest in and to the above-identified application as evidenced by the Assignment recorded April 8, 2003 at Reel 013974, Frame 0070.

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application that would extend beyond the expiration date of U.S. Patent No. 5,989,282, issued on November 23, 1999, from application no. 08/929,628, as presently shortened by any terminal disclaimer, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent 5,989,282.

Petitioner hereby declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
